Comments about [Live... The Old Waldorf 1979](#) - Dead Kennedys

Kefym

I guess I'm one of the very lucky ones here as my copy has the correct A & B sides. Mine is a low # (0021), so maybe the higher numbers are mispressed??? There should be a new sub made for the mispressed version

Uste

A & B sides correct, but not numbered at all...

Quendant

I guess I got lucky too. I have the correct A & B sides. My number is 338.

Hi_Jacker

i have the #0042 and also a false pressing. i don't know what went wrong

fabscf

Crap Lp with pressing error: Two side A and no side B !

Yayrel

Official release my ass! RSD is a joke!As I said in the Nirvana LP comments from the same label: it's just like good old Imtrat CD's - they were sold everywhere, but that doesn't make 'em official.<https://www.discogs.com/label/15956-Imtrat>

Ndyardin

Is this a bootleg? Interface's Dictators and B-52's releases by them are counted as unofficial. Could RSD really be incompetent enough to allow bootlegs as their exclusive releases?

Moswyn

My only hope is that the record store I bought it can get in touch with them. They must have an adress where they ordered it, and if it's only a distro, someone must have! Bastards there!

Sha

Any idea how to contact the label?My version has the same problem.

Painbrand

Yep, I'm guessing their all like that - I do like the 'Professionally Remastered' blurb on the back...

Kendis

Yes, in deed what the hell they are doing to me as a honest and passionate guy ?My guess is, there are some lousy cheaters on factory only interested in to make the big deal.(And so stupid to fix it in a way no one remarks).THANK YOU " INTERFERENCE ", well done (same as your beautiful releases from the past)

Jaberini

Yeah just listened to my copy aswell and the same damn thing. Someone has f@#ked up, the w@#\$#rs. That's me pissed off for the day now better go get fresh fruit out of the record box to listen too.

Whitesmasher

My copy too! What a crap! Feel totally fooled by the label for that expensive price! Hope there will be a return with a right cooy.. Angry on it. Track list on both sides: Kill the poor, Funland at the beach, California uber alles, Holiday in Cambodia, Chemical warfare.

Asyasya

ALAN

Is it just my copy of this which has the A side playing on both sides?

Azago

mates, as I understood - both sides contains the same songs ???

Faebei

My copy too! What a crap! Feel totally fooled by the label for that expensive price! Hope there will be a return with a right cooy.. Angry on it. Vobei

these people at Interference are ASSHOLES. They bootlegged MY recording. I am the copyright owner of The DK's OldWaldorf show.I recorded it and broadcast it on KAL:X radio.I am trying to find out how to contact them for legal proceedings of this, a Pere Ubu Fox Warfield show and an SVT show they bootlegged. you can listen to and download for FREE on youtube.Here's the DK's link as well as the Mabuhay shows of them:<https://www.youtube.com/watch?v=ghS2akUdnPc>

Risteacor
